QuartzStone™ by IceStone is our commercial grade sustainable surface perfect for high traffic areas. Responsibly mined and manufactured in Europe, QuartzStone meets our commitment to our triple bottom line of People, Planet and Profit. Certified safe for the food industry and indoor environments, QuartzStone brings affordable beauty to any project.

BENEFITS

- Non-porous surface does not have to be sealed
- Resistant to staining and etching
- Perfect for high traffic, heavy use areas
- 93% of QuartzStone content comes from crushed waste stone left over in quarries or from natural stone beds
- Manufactured in Europe using the Breton™ system for low environmental impact
- Certifications:
 - » GREENGUARD Gold Certified
 - » NSF 51 Certified
- USGBC member
- Contributes to LEED credits
